

Date: 11/2/16

## Wednesday Challenge Form

Group Members: Elisabeth, Jaden, and me

**Problem Statement:** Design and fabricate a capitalized e. The e you need to build is designed by a partner group. Try to be as accurate as possible.

**Approach:** We first made a sketch-up of an E, and then we got the sketch-up from our partner group. We then made it out of cardboard, which we had to cut with a box cutter. It turned out pretty well, except we had to eyeball it. The E we used to turn in-

**Solution:** We got second place by only 1/16 of an inch!

**Lessons Learned:** If I were to do this again, I would use a straight edge to make sure the cut is straight.
